Thank you for helping me in my telephone calls to you.

Your list shows as item 887
GOLD WEIGHTS MEASURED IN DOLLAR
and underneath is (227-168)

You told me it was under your web picture as 0224-168 but then you said it was pictured as 0224-237. That photo was not available on the web.

I want to bid on it so please tell me the proper number for the auction.

Will you handle my bid of $210.00 with the right to raise it to $255 if necessary? Please let me know promptly. Many thanks.

Eric P. Newman
